Traffick	Hopkins, Ellen	Prostitution -- Fiction.	Five teens victimized by sex trafficking try to find their way to a new life in this riveting companion to the #1 New York Times bestselling Tricks from Ellen Hopkins, author of Crank. In her bestselling novel, Tricks, Ellen Hopkins introduced us to five memorable characters tackling enormous questions: Eden, the preacher's daughter who turns tricks in Las Vegas and is helped into a child prostitution rescue; Seth, the gay farm boy disowned by his father; Whitney, the privileged kid coaxed into the life by a pimp; Ginger, who runs away from home with her girlfriend and is arrested for soliciting an undercover cop; and Cody, whose gambling habit forces him into the life. And now, in Traffick, these five are faced with the toughest question of all: Is there a way out? How these five teenagers face the aftermath of their decisions and experiences is the soul of this story that exposes the dark, ferocious underbelly of the child trafficking trade. Heart wrenching and hopeful, Traffick takes us on five separate but intertwined journeys through the painful challenges of recovery, rehabilitation, and renewal to forgiveness and love.
Tricks	Hopkins, Ellen	Emotional problems of teenagers -- Juvenile fiction. Families -- Juvenile fiction. Prostitution -- Juvenile fiction. Young adult fiction. Family problems -- Fiction. Prostitution -- Fiction.	"When all choice is taken from you, life becomes a game of survival." Five teenagers from different parts of the country. Three girls. Two guys. Four straight. One gay. Some rich. Some poor. Some from great families. Some with no one at all. All living their lives as best they can, but all searching... for freedom, safety, community, family, love. What they don't expect, though, is all that can happen when those powerful little words, "I love you," are said for all the wrong reasons. These are five moving stories that remain separate at first, then weave together to tell a larger, more powerful story--a story about making choices, taking leaps of faith, falling down, and growing up. And figuring out what sex and love are all about. TRICKS is informed and inspired by living near Las Vegas--a big teen prostitution scene--and by the fact that teen prostitution is not exclusively the result of kids running away from abuse. Kids from "better" families are selling themselves for hefty sums in order to finance addictions or even just to buy jewelry or clothing. In some cases, parents prostitute their children for the same reason. So what happens to the kids who are asking themselves, and asking us, "Can I ever feel OK about myself?" Highly charged, TRICKS is a gripping experience that turns you on and repels you at the same time.

Holly is throwing away what Andrea has spent her whole life searching for--a committed relationship with a decent guy. So what if Andrea picks up Holly's castaway husband? Marissa: She has more than her fair share of challenges--a gay, rebellious teenage son, a terminally ill daughter, and a husband who buries himself in his work rather than face the facts. As one woman's marriage unravels, another's rekindles. As one woman's family comes apart at the seams, another's reconfigures into something bigger and better. In this story of connections and disconnections, one woman's up is another one's down, and all of them will learn the meaning of friendship, betrayal, and forgiveness. Unflinchingly honest, emotionally powerful, surprisingly erotic, Triangles is the ultimate page-turner. Hopkins's gorgeous, expertly honed poetic verse perfectly captures the inner lives of her characters. Sometimes it happens like that. Sometimes you just get lost. A welcome read for anyone who ever felt more passion for a sandwich than is strictly speaking proper, Relish is a graphic novel for our time: it invites the reader to celebrate food as a connection to our bodies and a connection to the earth, rather than an enemy, a compulsion, or a consumer product.

The Grace Year	Liggett, Kim	Community life -- Juvenile fiction Dystopias -- Juvenile fiction Love Love -- Fiction Rape Rape -- Fiction Sex role Sex role -- Fiction Sex role -- Juvenile fiction Survival -- Juvenile fiction Teen Teenage girls -- Juvenile fiction Young adult fiction	The Grace Year is a speculative thriller in the vein of The Handmaid's Tale and The Power. Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life--a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, The Grace Year examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between.

Ramona was only five years old when Hurricane Katrina changed her life forever. Since then, it's been Ramona and her family against the world. Either way, Ramona will discover that, for her, life and love are more fluid than they seem.

Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr.  But what Starr does--or does not--say could upend her community. It could also endanger her life.

Spinning	Walden, Tillie	Graphic novels. Coming of age -- Cartoons and comics. Graphic novels.	Tillie Walden's Eisner Award winning graphic memoir Spinning captures what it's like to come of age, come out, and come to terms with leaving behind everything you used to know. It was the same every morning. Wake up, grab the ice skates, and head to the rink while the world was still dark. Weekends were spent in glitter and tights at competitions. Perform. Smile. And do it again. She was good. She won. And she hated it. For ten years, figure skating was Tillie Walden's life. She woke before dawn for morning lessons, went straight to group practice after school, and spent weekends competing at ice rinks across the state. Skating was a central piece of her identity, her safe haven from the stress of school, bullies, and family. But as she switched schools, got into art, and fell in love with her first girlfriend, she began to question how the close-minded world of figure skating fit in with the rest of her life, and whether all the work was worth it given the reality: that she, and her friends on the team, were nowhere close to Olympic hopefuls. The more Tillie thought about it, the more Tillie realized she'd outgrown her passion--and she finally needed to find her own voice.

Interpersonal relations -- Fiction. Sexual consent -- Fiction.	"Consent is not the absence of 'NO', it is an enthusiastic YES!!" While seemingly straightforward, Tia and Bryony hadn't considered this subject too seriously until it comes up in conversation with their friends and they realize just how important it is. Following the sexual assault of a classmate, a group of teenage girls find themselves discussing the term consent, what it actually means for them in their current relationships, and how they act and make decisions with peer influence. Joined by their male friends who offer another perspective, this rich graphic novel uncovers the need for more informed conversations with young people around consent and healthy relationships. Accompanying the graphics are sexual health resources for students and teachers, which make this a perfect tool for broaching the subject with teens.
